

MA40238 NUMBER THEORY 2014/15 SEMESTER 1
INFORMAL QUESTIONNAIRE (24/10/2014)

How do you rate the following? (Please tick the appropriate box.)	This looks fantastic :-)	I am mostly happy with that.	Well ... I can still live with that ...	OMG, what are you doing :-)
The organisation of the lecture material				
The communication of the key ideas				
The effectiveness of the lecturer's technique (e.g., the board-work in lectures, speak loud enough)				
Are the exercises a good combination of routine and challenging questions?				
Are the lecture notes easy to read and helpful for self-review?				

Please give further comments below, especially if you have any ticks in last two columns. You can use the back side of the sheet if you need more space.

Q1. What, in your opinion, does the lecturer do well?

Q2. What, in your opinion, could the lecturer do better?

Q3. Anything else you want to ask or share with the lecturer?

Please leave the filled questionnaire in the tray provided. Your feedback is very much appreciated!

Please feel free to use the extra space provided on this page.
